Disclaimer

This presentation contains summary information about GFPT Public Company Limited ("GFPT" or "the Company") and its subsidiaries (jointly the "GFPT Group") as at 30 December 2023 and, unless stated otherwise. The information does not purport to be complete or comprehensive.

This presentation contains forward-looking statements that may be identified by use of words such as "anticipates," "hopes," "expects," "estimates," "intends," "projects," "plans," "predicts," "projects," "aims" or other similar expressions that are used to identify such statements. Forward-looking statements are based on certain assumptions and expectations of future events. No guarantee nor assurance is made that these assumptions and expectations are accurate or will be realized. Such forward-looking statements should be considered with caution, since actual results may differ materially from those expressed or implied by such statements. Among the factors that may cause actual results and experiences to differ from anticipated results and expectations expressed in such forward-looking statements are the following: (i) the effect of, or changes in, general economic conditions of Thailand and other major trading countries such as GDP growth rate, interest rate, foreign exchange rate, import/export restriction, labor wage, and unemployment rate; (ii) fluctuations in cost and availability of inputs and raw materials, such as feed grains (including corn and soybean meal); (iii) market conditions for finished products, including competition from other global and domestic food processors, changes in domestic and international demand of chicken products and alternative protein products, supply and pricing of competing products and alternative proteins, and changes in consumer preference and diets; (iv) outbreak of a livestock disease such as avian influenza (AI), which could have an adverse effect on livestock we own, the availability of livestock we purchase, consumer perception of certain protein products or our ability to access certain domestic and foreign markets; (v) issues related to food safety, including costs resulting from product recalls, regulatory compliance and any related claims or litigation; (vi) impacts on our operations caused by factors and forces beyond our control, such as political uncertainty, changes in government and public policy, riot, natural disasters, fire, flood, bioterrorism, pandemics or extreme weather; (vii) compliance with and changes to regulations and laws (both domestic and foreign), including changes in accounting standards, tax laws, environmental laws, agricultural laws and occupational, health and safety laws, and (viii) those factors listed under "Risk Factors" included in our Annual Report or 56-1 Report for the period ended 30 December 2023. However, factors that may affect the performance are not limited to those listed above. The Company undertakes no obligation to publicly update, amend, modify or revise any forward-looking statements, on the basis of any subsequent developments, new information, future events or otherwise.

The information in this presentation were obtained from various external sources which has not verified through any independent source.
